

## 2007-2008 Student Aid Report (SAR)

### Summary of Federal Student Loans

The information below is the total amount of student loans that you owe as currently reported to us by your loan holder(s). These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can use your Federal Student Aid PIN to view details on the individual loans that make up these totals at the National Student Loan Data System (NSLDS) web site at [www.nsls.ed.gov](http://www.nsls.ed.gov). For more information about your Federal Student Aid PIN, go to [www.pin.ed.gov](http://www.pin.ed.gov). If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS web site. You can obtain general information about each of the types of loans that are listed below by visiting our [studentaid.ed.gov](http://studentaid.ed.gov) web site.

Note that the 'Subsidized' and 'Unsubsidized' amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for 'FFEL Unallocated Consolidation Loans' it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.
